Market Cap.: ~US\$1 billion

# **Existing and Prospective Mines**

## **STRATEGY**

# Strategy

- Enhance and maintain high safety standards
- Increase metal production at Padcal
- Declare
  additional
  resources at
  Padcal (both
  within the existing
  mine and nearby
  vicinity)
- Declare additional reserves at Padcal to extend the mine's life

- Complete pre-feasibility study for Silangan Project
- Declare mineral reserves for Nagtalay /Bulawan and Sibutad

 Explore strategic partnerships and pursue value-adding acquisitions

## **OPERATIONS**

## **Padcal Outlook**

#### **PRODUCTION:**

- > >100,000 oz of Gold / year
- > 35 million pounds of Copper / year

#### **OPERATING COST:**

- > Gold \$840 per oz
- Copper \$2 per pound

#### **MAJOR INITIATIVES**

- Ongoing program to enhance safety performance and awareness
- > Improve operational processes and systems
- > Implement performance management system

## **Padcal Outlook**

#### **CHALLENGES**

- > Permanent lifting of the suspension order
- > Extending the mine life, which involves addressing a number of complex issues:
  - Regulatory
  - Mining engineering
  - Geological

#### **OPPORTUNITIES**

> Exploration work todate indicates rich presence of additional resources, within the mine site and nearby vicinity, that can be declared in the future

# Silangan Outlook

#### **CHALLENGES**

- First underground mining project in the Philippines with high degree of metallurgic complexity
- Requires significant resources in financing, manpower and technical expertise
- Estimated project capex of ~US\$1.2 billion

#### <u>OPPORTUNITIES</u>

- Low cost of production
  - US\$2.00/lb of copper
  - US\$900/oz for gold
- > Annual output of 60Mt/year (~60 years of mine life)
- Conclusion of JV with Manila Mining to add 200Mt of ore

#### **MAJOR INITIATIVES**

- Declaration of Mine filed with the Philippine mining authorities in February 2013
- Pre-Feasibility Studies to be completed by mid 2014

# **Other Gold Mining Projects**

#### Nagtalay/Bulawan/ Laburan

(Negros Occidental)

Declared resource: 24Mt

Contained gold: 1.5M ozs

# PALAWAN

#### **Sibutad**

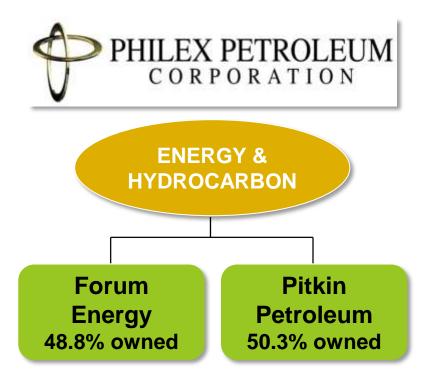

(Zamboanga del Norte)

Declared resource: 17Mt

Contained gold: 460K ozs
